How to Select the Correct Size

Step 1 – Measure the Half Chest to Find 'A'

Find a garment from your own wardrobe that is similar to the one you are interested in purchasing. Lay it down on a flat surface and measure from underarm to underarm at the widest point of the chest, as shown on the diagram below to find the 'Half Chest' measurement which is 'A' on the chart above.

Step 2 – Measure the Center Back Length to Find 'B'

Measure from the center of the collar seam to the hem, as shown on the diagram below to find the 'Center Back' measurement' which is 'B' on the chart above.
